

2016 - R8 CABERNET SAUVIGNON – CALIFORNIA

Aviators and winemakers alike are driven by a keen taste for **discovery**. Whether blazing the skies or walking the vineyards, they know the journey is its own reward.

In 1993, Michael Lancaster ventured from his native Toronto to California, driven by a passion for winemaking. His uncommon tenacity has yielded wines of true depth and elegance. Named for an airport runway that launches scenic flights over our Sonoma Valley winery, R8 is a guidepost for any adventurer seeking new horizons.

The 2016 displays a deep dark red color with fresh raspberry fruit aromas paired with a broad middle palate and soft tannins in the finish.
